filling a critical void in the literature race racism and the developing child provides an important source of information for researchers psychologists and students on the recent advances in the unique developmental and social features of race and racism in children s lives thorough and accessible this timely reference draws on an international collection of experts and scholars representing the breadth of perspectives theoretical traditions and empirical approaches in this field

the wave of white supremacist discourse impacting north atlantic politics in the 21st century is yet to be effectively explained by linking this political reality to the power relations of these north atlantic states this book presents this analysis by deconstructing a genealogy of the historico political discourse of race war michel foucault presented in his 1976 public lecture at the college de france where the key discursive concepts of biopower racism and state racism formulated by michel foucault expose the nexus between racism and the nature of the north atlantic state this book insists that in the 21st century north atlantic hegemonic austere neo liberal financial market capitalism is now utilising a discourse of paranoid extremist militarist white supremacist discourse with a siege mentality to maintain its hegemony over its world empire potently reflected in the politics of the north atlantic

islamophobia is one of the most misunderstood and pernicious forms of racism in britain but how do those committed to challenging islamophobia understand it and what does this mean for their practices on the ground islamophobia anti racism and the british left combines first hand accounts from activists and community workers across two british cities with sociological theory critically interrogating islamophobia s relationship to race racial capitalism and other modalities of racism setting this discussion against some of the most pertinent political shifts in britain in recent years from the resurgence of left nationalism to black lives matter the book assesses the limits of recent attempts to think about and tackle islamophobia and considers the possibilities of an alternative approach from and for the anti racist left

in this pathbreaking work the author integrates questions of justice and stability through a model of deliberative democracy in the plural polity deliberative democracy and the plural polity provides a realistic but critical reform agenda that can animate struggles for justice in an enormously diverse world

today s social services agencies are faced with the challenge of responding to the diverse needs and expectations of a growing multicultural population this volume examines race and racism in canada from historical and contemporary perspectives and explores the extent to which these factors operate within social services systems related to immigration settlement the justice system health and education the contributors including practitioners educators and policy makers argue for specific changes in current approaches to service delivery and provide practical suggestions for services that make it possible for various communities to be served more effectively the collection also proposes an anti racism approach to service provision to produce a system that is beneficial to all canadians particularly aboriginals and racial and ethnic minorities

an intellectual portrait of the iconic 19th century slave and abolitionist who took the lead in applying the founders doctrine of natural rights to the plight of african americans reveals how douglass s vision still guides contemporary liberalism

what is the future of the american west this book look at works of utopian dystopian and apocalyptic science fiction to show how narratives of the past and future powerfully shape our understanding of the present day west

ingram philosophy loyola university brings a variety of current social dilemmas together in a mutually illuminating way he examines the concept of legal equality in a multiracial society by considering issues such as self governance for native americans the rights of immigrants affirmative action and racial redistricting tie also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self determination and cultural integrity

tracing the story of red lodge from the 1880s to the present christensen tells how a mining town managed to endure the vagaries of the west s unpredictable extractive industries economy she connects red lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town book jacket
